## PRE-PRIMARY SCHOOL TITLES

### EARLY CHILD CARE DEVELOPMENT EDUCATION

The Early Child Care Development Education (ECCDE) series is a bold attempt at putting in book form the subjects which children are expected to be exposed to at this level of education.

The books in the series are based on the NERDC Curriculum Guide for teaching and learning in Nigerian nursery schools. The books on each subject in the series have three books for ages 3, 4, and 5. Children at these stages are expected to learn in a relaxed atmosphere through play and these and other factors have been taken into consideration in the publication of these titles.

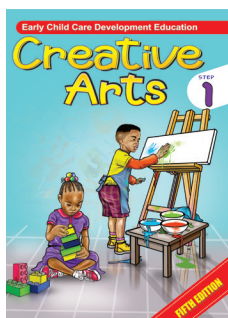

#### EARLY CHILD CARE DEVELOPMENT EDUCATION (ECCDE) ABC COLOURING AND ACTIVITY BOOK (6th Edition)

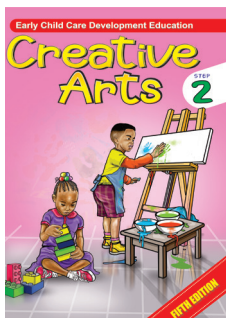

ISBN:  
97897889403752

The ABC Colouring and Activity Book is a newly revised alphabet and colouring book. It has words that can be formed from the alphabet. Various animals, shapes and objects are also beautifully designed in order to stimulate the mental ability of children to identify objects. Colours are extensively treated to help them have a better knowledge of colours as well as identification of shapes. It also teaches handwriting and tactics of spelling words. The book includes a teaching guide for teachers and parents.

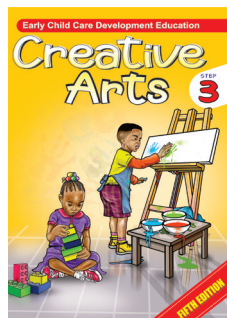

#### EARLY CHILD CARE DEVELOPMENT EDUCATION (ECCDE) CREATIVE ARTS STEPS 1-3 (5th Edition)

ISBN:  
9789789408290

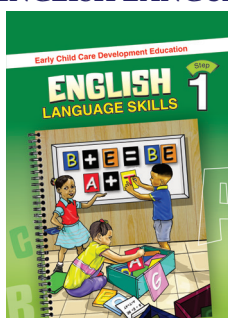

ISBN:  
9789789408306

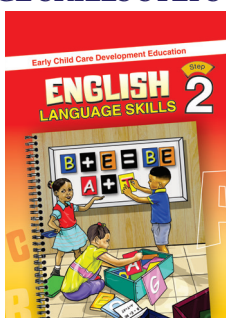

ISBN:  
9789789408313

In this fifth edition, children are exposed to more interesting activities and exercises which are attractively illustrated, and encourage their full participation. Each topic in the series is accompanied by a fun fact to catch pupils' attention and furnish them with new information on certain issues. At the end of each book is a teaching guide for teachers and parents.

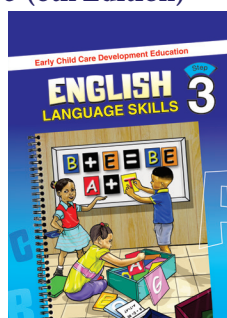

#### EARLY CHILD CARE DEVELOPMENT EDUCATION (ECCDE) ENGLISH LANGUAGE SKILLS STEPS 1-3 (6th Edition)

ISBN:  
9789780695507

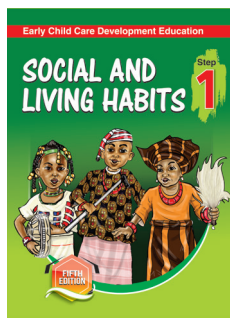

ISBN:  
9789780695514

ISBN:  
9789780695521

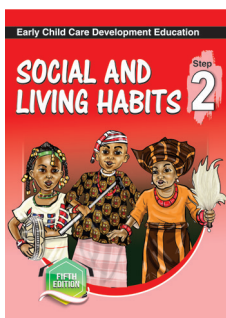

In this edition, the children are exposed more stimulating and challenging exercises. Each topic in the series is accompanied by a quote or a fact to catch pupils' attention and expand their understanding. At the end of each book is a teaching guide for parents and teachers.

## EARLY CHILD CARE DEVELOPMENT EDUCATION (ECCDE) SOCIAL AND LIVING HABITS STEPS 1-3 (5th Edition)

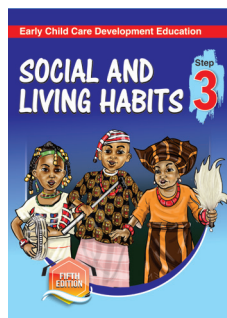

ISBN:

9789789408269

ISBN:

9789789408276

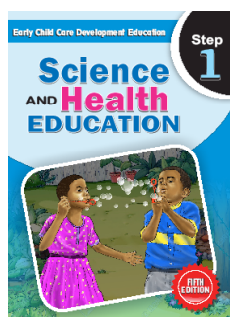

ISBN:

9789789408283

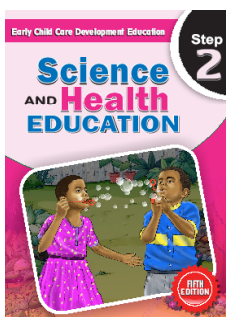

This is a revised (fifth) edition of the series. The books contain interesting pictures of animals and objects, which will stimulate the interest of little children. Topics that are rarely treated in the titles are taught with relevant illustrations to aid proper understanding. For parents and teachers, there is a teaching guide at the end of each book.

## EARLY CHILD CARE DEVELOPMENT EDUCATION (ECCDE) SCIENCE AND HEALTH EDUCATION (FIFTH EDITION) 1-3

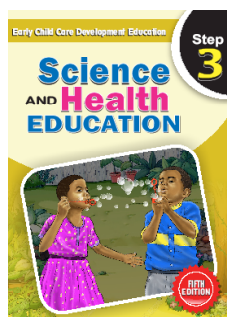

ISBN:

9789789408467

ISBN:

9789789408474

ISBN:

9789789408481

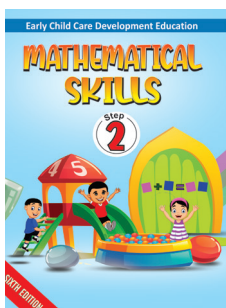

This edition has more brain stimulating and challenging activities and exercises for the pupils. Various topics ranging from getting to know themselves better as individuals, plants and their species, types of animals and their identification, exploring the environment for living and non-living things and many other topics which are meant to test the knowledge of the pupils on what they have learnt are all embedded therein.

## EARLY CHILD CARE DEVELOPMENT EDUCATION (ECCDE) MATHEMATICAL SKILLS (SIXTH EDITION) STEPS 1-3

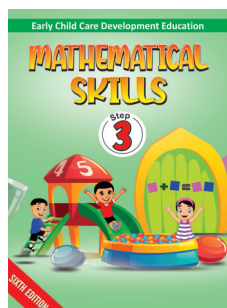

ISBN:

9789789408467

ISBN:

9789789408474

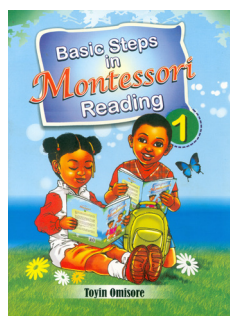

ISBN:

9789789408481

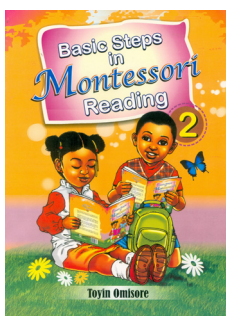

The books are aimed at exposing pupils to basic mathematical concepts which will serve as the basis of laying a solid foundation in mathematics. The books are based on the NERDC Curriculum Guide for teaching and learning in Nigeria nursery schools for pupils between the ages three (3) and five (5) years.

## BASIC STEPS IN MONTESSORI READING BOOKS 1-3

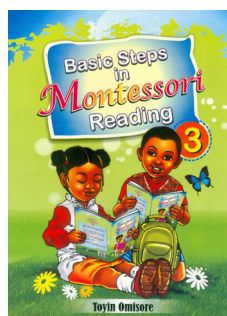

ISBN:

9789780697259

ISBN:

9789780697266

ISBN:

9789780697273

Basic Steps in Montessori Reading has been written to help young children overcome the challenge of reading through the use of sounds and colourful illustrations found in the child's environment.

The books follow the "Montessori Method" of introducing lower case letters first, vowel sounds and progress to two or more letter words. The books encourage participation through exercises and activities that train children's sense for early development in reading and writing.

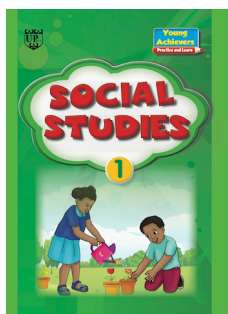

## PRE-PRIMARY SCHOOL TITLES

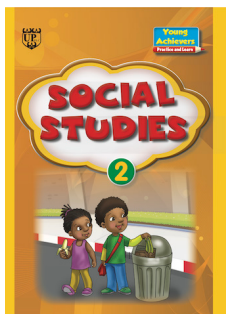

### THE YOUNG ACHIEVERS PRACTICE AND LEARN SERIES (YAS)

This series is a set of books designed to introduce children to the wonderful world of education. The books in the series are filled with engaging activities that help children understand the basic principles of different subjects and gain a strong foothold in the vast world of learning. Concepts are taught with relevant examples and fun activities to help the children understand them better. They contain teaching guide for teachers and parents.

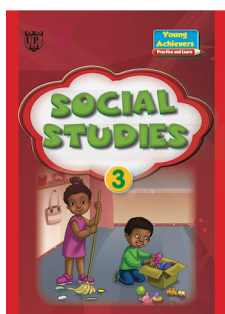

#### YOUNG ACHIEVERS PRACTICE AND LEARN SOCIAL STUDIES STEPS 1-3

ISBN:  
9789780698393

ISBN:  
9789780698409

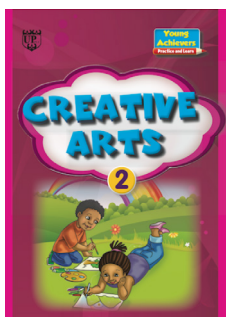

ISBN:  
9789780698416

The book introduces children to the human body and life after which they progress to learn about their surroundings. They further help the child know, form and promote good personal and social behaviour as well as understand the norms and traditions of the society at an early age in order to become ideal members of society.

#### YOUNG ACHIEVERS PRACTICE AND LEARN CREATIVE ARTS STEPS 1-3

ISBN:  
9789780698331

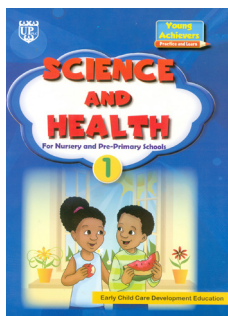

ISBN:  
9789780698348

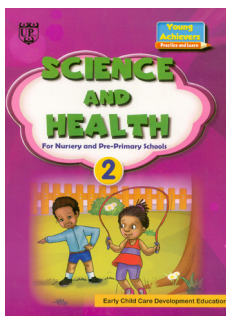

ISBN:  
9789780698355

The children first improve their creative skills by learning basic drawing and colouring through the concepts given in the book. Then, they slowly progress to learn patterns and craft work. The books are structured to ease the process of learning, thereby getting the children accustomed to tracing, drawing and colouring simple pictures.

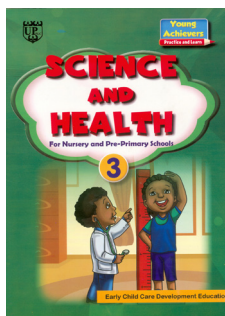

#### YOUNG ACHIEVERS PRACTICE AND LEARN SCIENCE AND HEALTH STEPS 1-3

ISBN:  
9789780698423

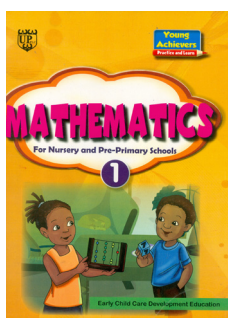

ISBN:  
9789780698430

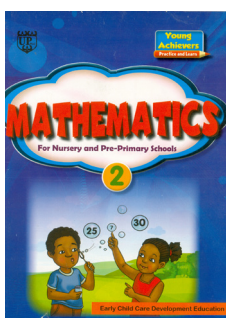

ISBN:  
9789780698447

The books teach children about their environment through practical activities. The children first learn about the human body, health and cleanliness, after which they progress to learning about their surroundings.

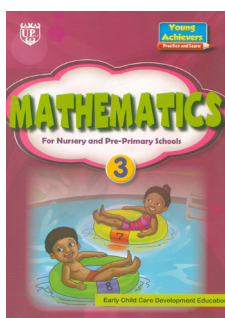

#### YOUNG ACHIEVERS PRACTICE AND LEARN MATHEMATICS STEPS 1-3

ISBN:  
9789780698300

ISBN:  
9789780698317

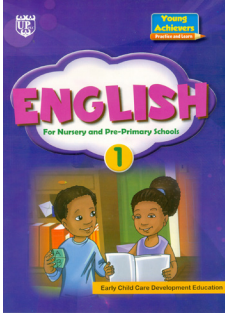

ISBN:  
9789780698324

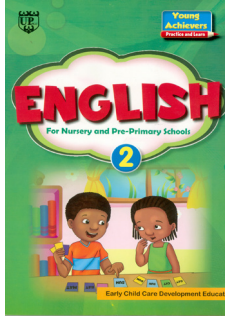

The series introduces children to world of numbers and slowly graduate into counting. The books are developed to ease children into the process of learning. They also give the children enough practice so as to master the concepts taught. They contain teaching guide for teachers and parents.

## PRE-PRIMARY SCHOOL TITLES

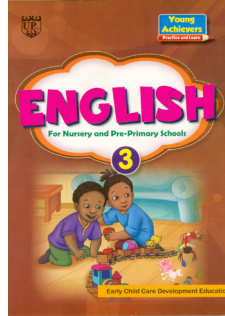

### YOUNG ACHIEVERS PRACTICE AND LEARN ENGLISH STEPS 1-3

ISBN:  
9789780698362

ISBN:  
9789780698379

ISBN:  
9789780698386

The books introduce children to the wonderful world of letters by improving their motor skills through simple patterns and then progressing to learning and writing letters. The children are exposed to the letters of the alphabet, simple words and then gradually to different grammatical and comprehension concepts. Aspects of literature have also been introduced.
